UNIVERSITY

Sydney City Campus

A wide-angle photograph of the Sydney Opera House and the Sydney Harbour Bridge at sunset. The Opera House's white, sail-like roofs are illuminated from below, and the Harbour Bridge's steel structure is silhouetted against the orange and yellow sky. The water in the foreground is dark and calm.

YOUR GUIDE TO THE SYDNEY CITY CAMPUS

YOUR DESTINATION

📍 Sydney, Australia

Come experience the most beautiful city in the world - Sydney! Sydney is one of the world's truly great multicultural cities, with a population representing more than 180 different nationalities.

Named in the 2022 top 10 most popular cities in the world for international students by QS Top Universities, Sydney is a great choice for international students wanting to study in a vibrant, multicultural, lively city.

Our campus is conveniently located in the heart of Sydney City! Look no further for a true Sydney experience. We are directly opposite the stunning Hyde Park and minutes away from the iconic Sydney Harbour Bridge and the Opera House.

EXPLORE SYDNEY

- Visit the iconic Sydney Opera House
- Climb the Harbour Bridge
- Enjoy the fireworks at Darling Harbour
- Taste a variety of international cuisines, from Chinese yum-cha to Indian curry and Australian BBQ
- Explore the world-famous Bondi Beach, or one of the other 36 Sydney beaches just a short bus journey from campus
- Discover wonderful walks along Sydney's spectacular coastline, or at one of the enchanting national parks and try to spot some of the wildlife unique to Australia
- Be entertained at one of Sydney's many festivals, including Chinese New Year, Mardi Gras, Sydney Comedy Festival, Vivid Sydney and many more!

YOUR CAMPUS

Services on campus

Sydney City Campus offers a vibrant, inspiring learning environment with state-of-the-art equipment and technology. Our on-campus facilities include:

-  Library
-  Computer laboratories
-  Innovative social learning spaces
-  Wireless internet; and,
-  Lots of open space

At the Sydney City Campus there is a dedicated team to help students succeed. A variety of support services are available to help you in your studies and enjoy campus life!

Student Administration team

Your first point of contact! The team will help you with all your general enquiries relating to forms, leave requests, disruption to study, enrolment status and any other enquiry where you may not know whom to contact!

Student Support team

The Student Services team are here to help you succeed in your studies and at the same time enjoy your time while you are here on campus. Student Advisors are available to help you with any concerns or difficulties that you may have, including:

-  Course advice
-  Study support
-  Maths support
-  Literacy support
-  Assignment help
-  Getting settled in Australia

Our dedicated Student Welfare Officers organise events and other engaging fun activities on campus.

Student Counsellors are also available to help you work through the unexpected problems that sometimes catch you by surprise. Be it an academic issue or a personal issue, our Student Counsellors are friendly, approachable and always willing to help.

If you need advice, or welfare, disability or counselling help, you are encouraged to access free, confidential counselling services as early as possible before your studies are affected.

You can make an appointment with a Student Advisor directly or drop-in sessions are held daily for any quick questions you wish to ask.

SPEAK TO A STUDENT

Chat to a Student Ambassador

If you have questions, speak to one of our current students and find out what keeps them motivated to come to campus!

Business and Accounting

POSTGRADUATE PROGRAMS

MASTER OF BUSINESS ADMINISTRATION

Duration: 2 years (8 quarters) |
CRICOS: 079261D

Work Integrated Learning – 10 weeks

Specialisations: Finance or Management

If you're looking for a solid business and management qualification to move you forward in the business world, our Master of Business Administration (MBA) has you covered. The course provides critical core knowledge, essential for a comprehensive understanding of the business environment.

You don't need to have studied business before or have relevant work experience – we start from the basics and build your business knowledge through the course.

MASTER OF PROFESSIONAL ACCOUNTING (ADVANCED)

Duration: 2 years (8 quarters) |
CRICOS: 071123A

Accounting jobs today require expertise and the ability to communicate. By studying the accounting program at Western Sydney University you will be provided the opportunity to think critically and communicate effectively with the business community through industry partnerships.

The Master of Professional Accounting (Advanced) will equip you with an in-depth theoretical knowledge of accounting. You will gain knowledge, skills and expertise which will enable you to become a professional accounting practitioner.

The course teaches you accounting principles and procedures supported by theory in law, economics and finance. You will learn to apply accounting concepts, theories and models through a range of individual and collaborative means using a blended learning design that draws from industry relevant projects with exposure to realistic business problems.

Professional recognition

- CPA Australia
- Chartered Accountants Australia and New Zealand (CAANZ)
- Institute of Public Accountants (IPA)
- Chartered Institute of Management Accountants (CIMA)

MASTERS QUALIFYING PROGRAM WITH BUSINESS ENGLISH (MQPE)

Duration: 6 months (2 quarters) |
CRICOS: 108297C

In the Masters Qualifying Program with Business English (MQP) you will participate in an intensive program of learning to prepare you for study at postgraduate level. This non-award program comprises four subjects designed to ensure you have the skills, competencies and knowledge necessary to undertake postgraduate study in business. The required embedded English components ensure that once you have completed the course successfully, you will have achieved the equivalent of IELTS 6.5 and will therefore be eligible for entry to a School of Business Master's Program with 10 credits points of advanced standing.

UNDERGRADUATE PROGRAMS

BACHELOR OF ACCOUNTING

Duration: 3 years, or 2 years accelerated |
CRICOS: 087773B

In business, accounting knowledge is essential as all managers and executives must understand the importance and significance of accounting reports.

The Bachelor of Accounting will provide you with an in-depth knowledge of accounting, supported by the associated disciplines of law, economics, finance and statistics. The degree is unique in its scope and coverage offering a qualification in accounting and the opportunity to broaden your knowledge base with elective units from other disciplines.

Professional accreditation

Association of Chartered Certified Accountants (ACCA); CPA Australia; Chartered Accountants Australia and New Zealand (CAANZ); Institute of Public Accountants (IPA); Chartered Institute of Management Accountants (CIMA)

BACHELOR OF BUSINESS

Duration: 3 years, or 2 years accelerated |
CRICOS: 089205G

The Bachelor of Business harnesses your energy and passion for success. This degree gives you the knowledge to create a career as a business professional. The Professional Careers Units will help to shape your career in one of three core business areas: Money, Markets or Management. The degree provides flexibility to choose a variety of non-business units in order to gain depth and perspective on your enterprise future.

Professional Accreditation

- Bachelor of Business - (Accounting)
CPA Australia; Chartered Accountants Australia and New Zealand (CAANZ); Institute of Public Accountants (IPA); Chartered Institute of Management Accountants (CIMA)
- Bachelor of Business - (Applied Finance)
Financial Services Institute of Australasia (FINSIA)
- Bachelor of Business - (International Business) This major meets the educational requirements of: Australian Institute of Export (AIEEx)
- Bachelor of Business - (Marketing)
This major meets the educational requirements of Certified Practising Marketer (CPM); Australian Marketing Institute (AMI); Australian Market and Social Research Society (AMSRS)

PATHWAY PROGRAM

DIPLOMA OF BUSINESS ADMINISTRATION

Duration: 8 or 12 months | CRICOS: 053149G

Studying a Diploma of Business Administration provides you with a fundamental understanding of core business skills including management, marketing, human resources and economics. You will be equipped to progress to an entry level business position when you graduate with your Diploma of Business Administration, or you can choose to transition to second year of studies at Western Sydney University, Sydney City Campus.

Engineering

UNDERGRADUATE PROGRAMS

BACHELOR OF ENGINEERING (HONOURS)

Duration: 4 years, or 3 years accelerated | CRICOS: 089429B

Work Integrated Learning – 12 weeks

Majors: Civil, Electrical or Mechanical

Professional Accreditation

This program has Full Accreditation at the level of Professional Engineer. Graduates of this program will be eligible to apply for full membership of Engineers Australia.

The future presents significant challenges for managing the environment, infrastructure and technological developments. Effective solutions to these challenges will require innovative engineering, applied science and design strategies. At Sydney City Campus, we will prepare you to take on those challenges and succeed. The Bachelor of Engineering (Honours) degree covers major engineering

TOP 75

IN THE WORLD FOR CIVIL ENGINEERING*
* Academic Ranking of World Universities 2021

domains, including civil, electrical and mechanical. You will get the opportunity to experience many facets of engineering before deciding on the area of specialisation at the end of your first year.

BACHELOR OF ENGINEERING SCIENCE

Duration: 3 years, or 2 years accelerated | CRICOS: 074195E

Work Integrated Learning – 12 weeks

Majors: Civil, Electrical or Mechanical

The Bachelor of Engineering Science is offered as an entry program to a Bachelor of Engineering (Honours). It is also offered as a three-year exit course for the Bachelor of Engineering (Honours).

The course structure, core units and electives are similar to the first three years of the Bachelor of Engineering (Honours) course.

PATHWAY PROGRAM

DIPLOMA OF ENGINEERING

Duration: 8 or 12 months | CRICOS Code: 068335D

The Diploma of Engineering is your first step toward specialisations in Civil, Electrical and Mechanical engineering programs. With the skills you develop during your diploma studies at SIBT, you will be able to think logically, analyse problems and explore creative solutions to real world challenges. Graduates of the Diploma of Engineering will be qualified to gain entry level engineering technician positions using the practical and communication skills which they have acquired whilst studying at SIBT. Graduates are also able to articulate into the second year of a Bachelor of Engineering at Western Sydney University, Sydney City Campus.

Health Science

POSTGRADUATE PROGRAMS

MASTER OF HEALTH SCIENCE

Duration: 2 years | CRICOS: 064020M

Major: Health Services Management

Western Sydney University is Australia's premier health sciences education institution. The University is:

- internationally renowned for its teaching and research activities
- at the forefront of innovative professional programs

The Master of Health Science is designed for professionals working in a variety of health science settings, including both government and non-government organisations. Staff working in health and aged care organisations, especially those in supervisory and management positions, will find this exposes them to contemporary issues in aged care. The course will allow you to up-skill management knowledge to position yourself at the forefront of innovation in the delivery and organisation of quality aged care.

UNDERGRADUATE PROGRAMS

BACHELOR OF HEALTH SCIENCE

Duration: 3 years, or 2 years accelerated | CRICOS: 074452D

Work Integrated Learning – 240 to 300 hours

Majors: Health Promotion, Health Services Management, Public Health or Therapeutic Recreation

A Bachelor of Health Science from Western Sydney University opens up opportunities for work in many areas of the healthcare services industry. You will build a comprehensive foundation of health sciences knowledge and study one or two specialisations in Health Promotion, Health Services Management, Therapeutic Recreation or Public Health.

Professional Accreditation

- Bachelor of Health Science - (Health Services Management) Australasian College of Health Service Management (ACHSM)
- Bachelor of Health Science - (Therapeutic Recreation) Diversional and Recreation Therapy Australia (DRTA)

“Western Sydney University is one of the top ranked universities for a Bachelor of Health Science. I chose Bachelor of Health Science as I wanted to give something back to the community and really be there for someone, someday. The best part of this degree is that I’m actually getting ready for the world that is out there.”

– **Tanvi**, Bachelor of Health Science

Information Technology

POSTGRADUATE PROGRAMS

MASTER OF INFORMATION AND COMMUNICATIONS TECHNOLOGY

Duration: 2 years (6 sessions), or 1.5 years (4 sessions) |
CRICOS: 063546M

Work Integrated Learning – 120 hours

Professional Accreditation

Master of Information and Communications Technology
Australian Computer Society (ACS)

Information and Communications Technology (ICT) has penetrated into all areas of industry sectors, such as retail, banking, health and education. ICT professionals are required to have cross disciplinary knowledge and skills, while the speed of change in ICT requires professionals to update their knowledge and skills every few years. Western Sydney University recognises this and our Postgraduate ICT course reflects the changing landscape.

The course concentrates on developing and extending your knowledge needed for ICT roles within the fast-growing ICT industry and other relevant industry sectors. This is reflected in our specialisations and units that cover core ICT discipline topics such as Networking, and Web and Mobile Computing.

BACHELOR OF INFORMATION AND COMMUNICATIONS TECHNOLOGY

Duration: 3 years, or 2 years accelerated | CRICOS: 064013K |

Major: Networking and Cloud Computing, Software Development

Professional Accreditation

Bachelor of Information and Communications Technology
Australian Computer Society (ACS)

The Bachelor of Information and Communications Technology (ICT) is a professional course that will provide you with solid skills and a knowledge base in ICT.

It will provide you with the skills to apply practical solutions to ICT including systems analysis and design, application development, program design, networks, web development and the implementation of technology.

BACHELOR OF INFORMATION SYSTEMS

Duration: 3 years, or 2 years accelerated | CRICOS: 074452D |

Majors: Big Data, Mobile Computing or Networking

Professional Accreditation

Bachelor of Information Systems
Australian Computer Society (ACS)

Information Systems are becoming integral to modern culture and are a primary engine behind much of the world's economic and social change. Today, to implement technology, practising professionals need to understand the context in which computer technology can best be selected, applied and implemented.

PATHWAY PROGRAM

DIPLOMA OF INFORMATION TECHNOLOGY

Duration: 8 or 12 months | CRICOS: 053277K

If you wish to pursue a career in IT, then the Diploma of Information Technology is ideal for you. This diploma provides a broad introduction to computer science, so you can pursue further studies in IT specialisations such as software design, information systems and web design. You will progress to the second year of the bachelor's degree program and can tailor this towards your career ambitions. The Diploma of Information Technology may also lead to entry level positions in the IT industry, such as help desk and IT support roles.

“The campus is really nice, it’s a very good environment. They have Student Counselling which is free and confidential, and they really care about students. I finished a Diploma of IT at SIBT which was equivalent to the first year of a Bachelor of Information and Communications Technology and I jumped to year 2 at Western Sydney University, Sydney City Campus. I would recommend international students, or anyone, to come to SIBT.”

- **Noor**, Bachelor of Information and Communication Technology and Diploma of Information Technology.

Media And Communications

UNDERGRADUATE PROGRAMS

BACHELOR OF COMMUNICATIONS

Duration: 3 years, or 2 years accelerated | CRICOS: 074452D

Work Integrated Learning – 1 subject

Major: Advertising, Journalism and Public Relations

The Bachelor of Communication encompasses a range of studies in the fields of communication, media and design including specialised studies in the major fields of Advertising, Journalism, Public Relations and Media Arts Production. Teaching includes both theory and practice with reference to real world contexts highlighting future career opportunities in a convergent digital media world. Through classwork, independent study and engagement with the multicultural nature of our communities, students develop an understanding of the local and international

relevance of their chosen studies, with opportunities to develop and produce a range of media outcomes as applied research and professional projects throughout their studies. Through self-directed, team-based and problem-based learning strategies requiring active participation in the community and professional contexts, graduates learn to reflect and value ethical and intellectual conduct as well as respect for diversity and social justice principles.

Professional Accreditation

- Bachelor of Communication (Advertising) Media Federation of Australia (MFA)
- Bachelor of Communication (Advertising) Public Relations Institute of Australia (PRIA)

TOP 150
COMMUNICATION &
MEDIA STUDIES*
IN THE WORLD

*QS World University Rankings 2021

PATHWAY PROGRAM

DIPLOMA OF MEDIA AND COMMUNICATION

Duration: 8 or 12 months | CRICOS: 053278J

Studying a Diploma of Media and Communication will give you a broad understanding of the media landscape in Australia and potentially lead to a wide range of roles involving professional communication skills. You will explore the cultural, social, and political contexts of public communication processes and industries, institutional settings of international communication, and the way culture is expressed through media.

Once you complete the Diploma of Communication, opportunities include progression to the second year of the degree program in Media and/or Communication, or an entry level position in advertising, PR, media, or communication organisations.

Social Sciences

UNDERGRADUATE PROGRAMS

BACHELOR OF SOCIAL SCIENCES

DURATION: 3 years, or 2 years accelerated | CRICOS: 041159D

The Bachelor of Social Science, Criminology and Criminal Justice major, offers you the opportunity to study crime and criminal justice in a critical way that stresses the social and cultural definitions of criminality.

If you are interested in the complexities of detection, prevention and correction, or the cultural and social factors of criminality, the Bachelor of Social Science with a major in Criminology and Criminal Justice could be the degree for you. This major will give you a comprehensive understanding of how all of these factors fit together.

TOP 100
IN THE WORLD FOR SOCIOLOGY*

* QS World University Rankings 2021

PATHWAY PROGRAM

DIPLOMA OF ARTS

DURATION: 8 or 12 months | CRICOS: 053148G

A Diploma of Arts helps prepare you for further study across a range of field such as arts, communication, or social science, by exploring a broad range of disciplines including linguistics, cultures, criminality and creativity. By completing a Diploma of Arts, you will be equipped with the skills and knowledge to gain entry level positions in a range of fields using the practical teamwork and communication skills which you acquired whilst studying at SIBT. Our students who successfully complete a diploma will be eligible to enter the second year of a bachelor's degree at university.
